# King's Baptist Church

Proclaiming Jesus in Today's World!

## Family Matters...

2019 has been jam packed full of events and activities within our church. We've had weeks of prayer, baptisms, Accelerate, a dedication, song writing/new song evenings, a Pentecost Party, Works of Heart, Arise and Shine, BBQs, Encounter Worship, Connect Group, fellowship breakfasts, film evenings, Carols by Candlelight, and a pancake party to name but a few! We've had words, pictures and prophesies spoken over us as a church and as we look ahead to the week of prayer in January we shall be reflecting on these and discerning where God is leading us in 2020.

Towards the end of 2019 God gave me the following word for our church: 'I want you to be the church that **is**, not the church that **was**'. After spending time in prayer over this, I believe God is calling us to be even more active within our community and the surrounding areas, continuing to serve those around us in any way we can. To love them and walk alongside them with grace and mercy. I'm reminded of Ephesians 4:2 'Be completely humble and gentle; be patient, bearing with one another in love.'

To me, this means that when people hear about Kings Baptist Church, we will be referred to as a church that **is** active, that **is** merciful, that **is** passionate, that **is** loving, that **is** doing God's work, and most importantly, that **is** filled with the presence of Jesus. We will only be able to do this by inviting God to fill us afresh with his presence every day to equip us for his work.

My prayer for the New Year is that God will reveal Himself to us in new ways. That we would be consumed by his presence so that all we see, hear and do is guided by Him, so we might meet the needs of this world through Jesus.

I'm excited to see what's going to happen this year and hear stories of all that God is doing! Happy New Year!
