King's Baptist Church

Proclaiming Jesus in Today's World!

Family Matters...

The Israelites spent 40 years in the wilderness because of their disobedience and unbelief. God had promised them victory but they did not trust or obey Him. Like the Israelites we go around in circles when we ignore God's will for our lives. Motion doesn't always mean progress. God will never lead us where His grace cannot provide for us or His power cannot protect us. What promises has God given us as individuals and as a church? Some of His promises have conditions to them that we need to take notice of.

All the promises of God are Yes and Amen in Christ Jesus. When we trust in His promises, the evidence of that trust is the joy we have in the middle of our circumstances.

As we remembered the words and prophecies given to the church at the week of prayer, I was reminded of some of the words I have been given personally over the years. We may run with these words for a while but it is easy to lose track of them instead of to keep praying into them until we see the fruit and they are fulfilled in our lives. We may have to wait patiently for God's timing on some of them but we can still plan, prepare and use the time wisely. We can exercise faith, watch with expectancy and get ready to see the word bear fruit.

As with the Israelites we may go around in circles until we take hold of His promises and the words we have been given. When we rest on the promises of God there is a peace that passes all understanding. Regardless of our situation we find ourselves in let us learn to 'Delight ourselves in the Lord and He will give us the desires of our hearts.'
