# King's Baptist Church

*Proclaiming Jesus in Today's World!*

## Family Matters.

We are currently living in strange and difficult times but in the midst of all of what we see that is going on, we can see that God is at work, His presence is being not only felt but His love is being worked out by many as they go about their new "normal" lives.

It is interesting that as we look forward to Pentecost Sunday at the end of May, we can perhaps see some similarities between how we are currently feeling and what the apostles must have been feeling after the crucifixion of Christ.

Confused at the recent turn of events, mourning the loss of Jesus, being in isolation and keeping low - how could they make any sense of any of this? This was even more confusing as Jesus had made a promise to them. "The Holy Spirit will come to you. He will give you power to tell people about me."

For ten days, the Apostles and other followers of Jesus had stayed together, praying and waiting. The great day had come! Suddenly, a noise like a strong wind filled the whole house and the followers saw something that looked like flames of fire, falling on each person there. They were all filled with the Holy Spirit, and they began to speak in different languages.

As a Church, we have been spending a lot of time in prayer and waiting on God, listening for and to His voice. I believe we are approaching a time where the Church will rise up - and not necessarily after the end of this lockdown, but **before!** The Holy Spirit is on the move amongst His people. Are you ready for what God has in store for you and for the Church. As we celebrate the birth of the Church, pray that we will see a rebirth in people turning to Christ and that as we wait, He will reveal His purpose to us - Are you prepared?

Blessings *Ian*
